PRESENTED BY

Pioneer Golf Co.

On behalf of Ardent Roof Systems, we are thrilled to extend this invitation to you to partner with us for our upcoming Annual Charity Golf Tournament.

As a leading provider of roofing solutions, we take immense pride not only in our commitment to excellence in our industry but also in our dedication to giving back to the community.

This event serves as a cornerstone of our philanthropic efforts, and we believe that your partnership would greatly enhance our collective ability to make a meaningful impact.

With your support, we can continue to support vital charitable causes while enjoying a day of camaraderie and friendly competition on the greens.

# STOLLERY CHILD LIFE PROGRAM

The Stollery Child Life Program in Edmonton is a beacon of hope and support for children facing medical challenges and their families.

This invaluable program provides a wide range of services aimed at easing the burden of hospitalization and treatment, offering emotional support, education, and therapeutic activities tailored to each child's needs.

From distraction techniques during procedures to specialized play therapy and education to help children understand their medical journey, the Child Life Program plays a crucial role in improving the well-being and resilience of young patients.

By partnering with us for our annual Charity Golf Tournament, you'll be directly contributing to the continuation and expansion of these vital services, ensuring that every child receives the care and support they deserve during their time at the Stollery Children's Hospital.

# 5 years and counting...

**2018**

Founding Year
